

The K-Love channel 91.5 FM in my hometown provides family-friendly programming. It promotes wholesome, positive values and has a wonderful encouraging effect on all who listen. Besides the uplifting music, my friends and I are often guided and informed by the other programs that K-Love provides. The loss of K-Love would mean the loss of a great resource of hope and encouragement. There is no doubt in my mind that the message of hope, love and faith that they bring is of great benefit to my community and serves well the public interest.
